Chip,

Attached is a spreadsheet with changes for the Gould site. I am not sure what the best way to address this site is but here are my suggestions. Give me a call if you have any questions.

Dave,

Can you take a minute and send Chip an e-mail with the proposed changes you have for the stormwater and groundwater pathways for the Gould site. That way Chip is aware of your thoughts and can check in with you if necessary before he puts his comments together.

Thanks,

Matt McClincy
